## Investment strategy

The fund's objective is to provide investors with exposure to China's long term growth through investments in companies operating out of China, listed predominantly but not necessarily in Hong Kong, while benefiting from a volatility that will be lower than the average volatility of Chinese indices.
The fund is a multi-cap fund focusing on bottom up stock picking of listed companies having their operations in China and on the basis of ground due diligence and compelling valuations using a valuedriven investment methodology.

## Net performance in Euro

Past performances do not guarantee future results and are not constant over time. This performance does not take into account fees and expenses related to subscription and redemption of shares.
